Welcome to PdfCraft

This is a sample document. Change anything you like: it is your own copy, and you can always open a fresh one from an empty Home screen.

Things to try on this page:

1. Select this sentence and highlight it.
2. Draw a circle around the box below with the pen.
3. Add a comment, then find it again in the comment list.
4. Search for the word lighthouse.

Draw or write here.

A lighthouse stands on the rocks at the edge of the bay. Every night its light turns once every ten seconds, and ships far out at sea count the flashes to know where they are. Try reading this paragraph aloud.
